THE ISO-GRUPPE
Lasting. Innovative. Reliable.

The ISO-Gruppe has been active in the IT and software market since 1979 and has since developed into a versatile, international IT service provider. Targeting specific markets has resulted in several powerful and innovative companies under the umbrella of the ISO-Gruppe.

About 650 employees work at several sites throughout Germany as well as in associated companies in Austria, Poland, and Canada. The ISO-Gruppe companies, ISO Software Systeme, ISO Travel Solutions, ISO Professional Services, and ISO Public Services located in Nuremberg, Munich, and Frankfurt am Main are certified according to DIN EN ISO 9001:2015. In 2022, the ISO-Gruppe generated annual sales of approximately 138 million euros. The portfolio includes consulting, development, implementation, maintenance, and optimization of IT solutions, as well as HR services.
