

The ISO-Gruppe has been active in the IT and software market since 1979 and has since developed into a versatile, international IT service provider.

Following the concentration on specific markets, several powerful and innovative companies were created under one roof. The portfolio includes Consulting, Development, Implementation, Maintenance and Optimization of IT Solutions as well as HR Services.

Around 620 employees work at several locations in Germany as well as in affiliated companies in Austria, Poland and Canada. The ISO-Gruppe companies ISO Software Systeme, ISO Travel Solutions, ISO Professional Services and ISO Public Services with their locations in Nuremberg, Munich and Frankfurt a. M. are certified according to DIN EN ISO 9001:2015. For 2021, the ISO-Gruppe expects annual sales of about 100 million euros, which would correspond to a sales increase of 22.5%.
